

## Bureau of Land Management, Interior

## § 2310.1-2

(6) Preparation of the case file to be considered by the Secretary, including the authorized officer's findings and recommendations;

(7) Transmittal of the case file to the Director, Bureau of Land Management, for the Director's review and decision regarding the findings and recommendations of the authorized officer;

(8) Transmittal of the case file to the Secretary.

(9) Publication of a public land order or a notice of denial signed by the Secretary. If the application seeks a national defense withdrawal that may only be made by an Act of Congress, the Secretary will transmit to the Congress proposed legislation along with the Secretary's recommendations, and documentation relating thereto.

### § 2310.1-1 Preapplication consultation.

A potential applicant should contact the appropriate State office of the Bureau of Land Management well in advance of the anticipated submission date of an application. Early consultation can familiarize the potential applicant with the responsibilities of an applicant, the authorized officer and the Secretary. Early consultation also will assist in determining the need for a withdrawal, taking possible alternatives into account, increase the likelihood that the applicant's needs will be considered in ongoing land use planning, assist in determining the extent to which any public lands that may be involved would have to be segregated if an application is submitted; and result in preliminary determinations regarding the scheduling of various investigations, studies, analyses, public meetings and negotiations that may be required for a withdrawal. Studies and analyses should be programmed to ensure their completion in sufficient time to allow the Secretary or the Congress adequate time to act on the application before the expiration of the segregation period.

### § 2310.1-2 Submission of applications.

(a) Applications for the making, modification or extension of a withdrawal shall be submitted for filing, in duplicate, in the proper Bureau of Land Management office, as set forth in

§ 1821.2-1 of this title, except for emergency withdrawal requests and applications that are classified for national security reasons. Requests for emergency withdrawals and applications that are classified for national security reasons shall be submitted, in duplicate, in the Office of the Secretary, Department of the Interior, Washington, D.C. 20240.

(b) Before the authorized officer can take action on a withdrawal proposal, a withdrawal application in support thereof shall be submitted. The application may be submitted simultaneously with the making of a withdrawal proposal, in which case only the notice required by § 2310.3-1(a) of this title, referencing both the application and the withdrawal proposal, shall be published.

(c) No specific form is required, but, except as otherwise provided in § 2310.3-6(b) of this title, the application shall contain at least the following information:

(1) The name and address of the applicant. Where the organization intending to use the lands is different from the applicant, the name and address of such using agency shall also be included.

(2) If the applicant is a department or agency other than the Department of the Interior or an office thereof, a statement of the delegation or delegations of authority of the official acting on behalf of the department or agency submitting the application, substantiating that the official is empowered to act on behalf of the head of the department or agency in connection with all matters pertaining to the application.

(3) If the lands which are subject to an application are wholly or partially under the administration of any department or agency other than the Department of the Interior, the Secretary shall make or modify a withdrawal only with the consent of the head of the department or agency concerned, except in the case of an emergency withdrawal. In such case, a copy of the written consent shall accompany the application. The requirements of section (e) of E.O. 10355 (17 FR 4831), shall be complied with in those instances where the Order applies.
